

Protean Flip Up

Designed to complement the Protean Series of urban bus seats, the Protean Flip Up is the modern solution for the accessible seating positions in city buses.

Incredibly strong with 2mm wall thickness stainless tube, investment cast stainless pivot blocks and stainless under cushion plate for durability and vandal resistance.

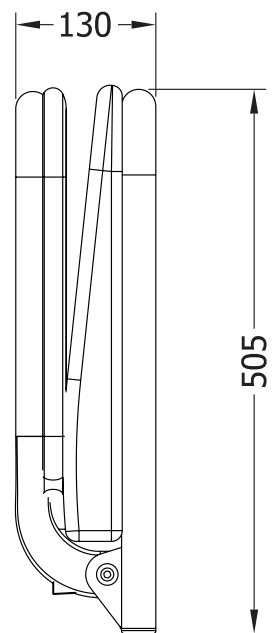

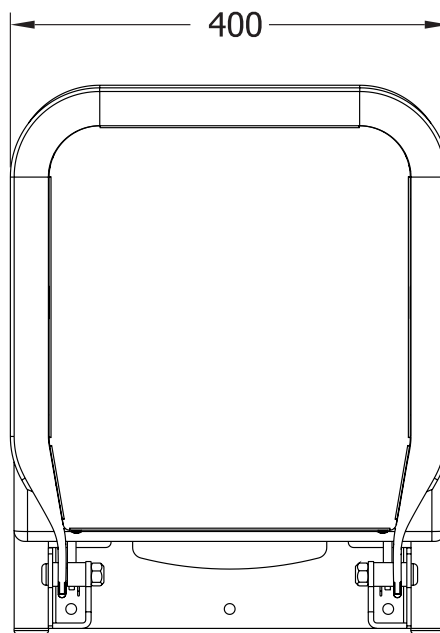

A hidden Stabillus gas spring with an over centre action keeps the seat up or down with a minimum of effort by the occupant. Trimmed in fabric of your choice over Premium Quality foam.
