

Sovereign

The Sovereign **five-star** reclining and fixed Coach Seats carry influences from the highly successful Aquarius Deluxe Seats.

The Sovereign seats offers the opulence of the finest Italian Automotive Leather trim featuring double stitching.

The Sovereign has an improved **headrest design** and enhances the built in **lumber support**, with the sophisticated soft curve design in the seat squab gives good knee room behind and leg clearance under the seat.

Included in the pronounced curve of the seat squab are the ergonomic suspension pad, under multiple density foam.

In addition the seat belt reel is positioned in the seat back and to the side of the seat, which makes it easy removable.

These features combined with the refinements to the renowned multiple density foam **STYLERIDE** Cushion and our patented silent fold away armrest, result in the Sovereign Coach Seat offering passengers a true **five-star** coach seat experience.
